RAMAKRISHNA MISSION SEVA PRATISHTHAN

Secretary's Report

We are presenting report of the activities of the Ramakrishna Mission Seva Pratishthan for the year 2020-2021.

Before we proceed with the operation details for the year, it would not be out of place to give here a brief history of the origin and growth of the Pratishthan.

Brief History & Growth

This institution, a branch centre of the Ramakrishna Mission, was founded by Revered Swami Dayanandaji Maharaj, a disciple of the Holy Mother Sri Sarada Devi in its former name of "Ramakrishna Mission Sishumangal Pratishthan" in a rented house in July 1932 with an initial financial help from an American devotee Miss Helen Rubel (Sister Bhakti). Domiciliary Maternity Service and Outdoor Antenatal and Postnatal clinic were started first, and a year later, the Indoor section with 7 beds for mothers and 9 beds for babies was added. Later, on a small plot of land purchased at 99, Lansdowne Road (now Sarat Bose Road) foundation stone of a permanent hospital building was laid on March 4, 1938 by the Most Revered Srimat Swami Vijnananandaji Maharaj, a direct disciple of Bhagavan Sri Ramakrishna and the fourth President of the Ramakrishna Math and Ramakrishna Mission, which was completed as a 50-bed maternity hospital and consecrated on May 31, 1939 by Revered Srimat Swami Virajanandaji Maharaj, the sixth President of the Ramakrishna Math and Ramakrishna Mission. 'Sishumangal' thus found a new home of its own and gained wide recognition as a model maternity and child welfare centre.

In 1957, its Silver Jubilee Year, Sishumangal was renamed "Seva Pratishthan" following the addition of some general beds for men, women and children in 1956. Additional construction followed in phases and bed - strength also rose from time to time and reached 550 in 1985.

The construction of the building of Vivekananda Institute of Medical Sciences was started in 1977 with a kind and generous donation from Shri Nandlal Tantia and done upto 2nd floor by 1982. The research centre housed in it was named “Rameshwar Tantia Research Centre”. More funds were collected gradually and upto 4th floor construction was completed in 1995-96.

Another newly constructed building had been completed in July 2007 and inaugurated by Most Revered Srimat Swami Gahananandaji Maharaj, the then President of Ramakrishna Math and Ramakrishna Mission on the occasion of the Platinum Jubilee of this Pratishtan.

On the occasion of the celebration of the 150th Birth Anniversary of Swami Vivekananda, a new project was taken in hand. It consisted of 1) Construction of A Diagnostic Centre Building; & 2) A fully-equipped Cath. Lab., Cardiac Care Unit, High Dependency Unit & Cardiothoracic Vascular Surgery Unit. The entire project was named as “**Swami Vivekananda Diagnostic & Cardiac Care Centre**” and was being done with the financial assistance from the Ministry of Culture, Government of India.

With addition of the abovementioned units, the following operations/investigations are being done in this Pratishtan successfully at a low cost compared to other non-Govt. institutions in the State of West Bengal :-

Coronary Angiography, Coronary Angioplasty, Single & Double Chamber Pacemaker implantation, ASD Closure, Mitral Valve Replacement, Aortic Valve Replacement & Double Valve Replacement.

A new **Cardiology Ward** in the 5th Floor of Adhish Chandra Sinha Building has been inaugurated on 03-03-2019 by Srimat Swami Vimalatmanandaji Maharaj, Trustee, Ramakrishna Math, Member, Governing Body of Ramakrishna Mission and Adhyaksha, Ramakrishna Math, Yogodyan. The 38-bed ward has general beds and Cabin facilities for male, female and paediatric cardiology patients with an attached High Dependency Unit (HDU). **The bed strength rose to 684 in June 2020.**

COVID-19 Patient Services

As per request from Government of West Bengal, we decided to earmark Wards for treatment of COVID-19 patients from April, 2021. At first we allocated 50 beds in different wards of this Pratishtan but when the situation worsens further, we compelled to earmark 100 beds for COVID-19 treatment. At some point, it was found the number of indoor patients rose upto to 145 in a single day. We had to cut down the services Outdoor Department, Indoor Department to control spreading of infection. The elective Operations were also suspended. Thus our Pratishtan was totally involved in COVID-19 care including ICU and CCU facilities.

The Mobile Medical Unit of this Pratishtan was also suspended during the period, except Eye Camp which was done in our Pratishtan bringing the needy patients from their villages. Community Health Services in Sarisha Unit was partially functioned during the period, some home visits were conducted.

There were 1245 COVID-19 positive patients were treated in our Indoor Department during the year (upto 31-03-2022). Besides, medical services were provided to many more patients through our Outdoor Departments.

With the help of Department of Health & Family Welfare, Govt. of West Bengal and Kolkata Municipal Corporation, we successfully completed the vaccination of the doctors, nurses and other health-care providers and inmates of this Pratishtan including the booster dose.

The inauguration of **School of Biological Sciences** took place on 5th January, 2021, the auspicious day of the Tithi Puja of Holy Mother Sri Sarada Devi, by the joint initiative of Ramakrishna Mission Seva Pratishtan and Ramakrishna Mission Vivekananda Educational and Research Institute.

If the research in Molecular Biology commences, then different types of test can be done which any laboratory of Kolkata cannot provide. For these, samples are now being sent to Mumbai. In that case, we can render various kinds of service to the people.

Therefore, this initiative jointly conducted by Seva Pratishthan and Ramakrishna Mission Vivekananda Educational and Research Institute will not only help the Research Wing of Seva Pratishthan, but some financial provisions will be in hand also.

Moreover, an attractive new dimension took shape in the field of education by this new venture for which the name of Ramakrishna Mission will be remembered as a pilot of bright future.

2 Oxygen Generator Plants had been installed in our Pratishthan. One (capacity 12 SM³/per Hour) installed on 14-07-2021 and was named “Sri Mahendranath Gupta (শ্রীম) (A lay disciple of Sri Ramakrishna) Oxygen Generator Plant” and another one (capacity 26 SM³/per Hour) was inaugurated 19-11-2021. Garden Reach Shipbuilders and Engineers was contributed an amount of Rs. 1.0 crore for the Plant from their CSR Fund.

The old Mortuary Unit of this Pratishthan has been totally renovated and refurbished into a Blue Star 8-Chamber Mortuary Unit. The Unit was formally inaugurated on 31-03-2022.

The NICU-2 Ward has been totally refurbished with 10 Nos. of beds with all facilities. The Ward has been shifted to the Doctors’ Class Room at Paediatric Medicine Ward (in the same floor). The Rotary Club of Children’s Welfare Trust offered financial assistance and provided few equipments for the project. For the time being, the Doctors’ Class Room is shifted to Play Room of Paediatric Patients on the 3rd Floor of the same building.

The old NICU-2 Ward at 2nd Floor of Adhish Chandra Sinha Memorial Building has been converted to Paediatric Intensive Care Unit (PICU) with 6 Nos. of Beds with all required facilities. The Rotary Club of Children’s Welfare Trust gave financial assistance and also provided some equipments for the project. Indian Oil Corporation Limited also provided 2 Ventilators and 2 Monitors for the Ward. The Ward was formally inaugurated by the Trust on 01-04-2022.

Memorial Orations and Notable Celebrations

In memory of our revered and beloved Swami Dayanandaji Maharaj, Founder-Secretary of this Institution, who passed away on June 5, 1980, “**Swami Dayananda Memorial Oration**” was introduced to have important orations delivered by distinguished persons of our society. It was first held in 1981 and on some occasions in following few years. From 1999, it is being held every year as a part of the Annual Scientific Conference.

In memory of revered and beloved Swami Gahananandaji Maharaj, the 14th President of the Order and long-time Secretary of this Pratishthan “**Swami Gahanananda Memorial Oration**” was introduced in 2008 and is being held regularly during Annual Scientific Conference.

The **90th Foundation Day Celebration** of Ramakrishna Mission Seva Pratishthan was held on 24th July, 2021 at 10-30 a.m. at the Ground Floor of Adhish Chandra Sinha Memorial Building in front of the decorated Holy Photographs of Sri Sri Thakur, Sri Sri Maa and Swamiji.

Due to Covid-19 pandemic situation, the day was celebrated in a very simple manner and was restricted to limited persons by maintaining all safety measures as suggested by the Government.

Programme began with small introductory address by Swami Nityakamananda, Secretary. After that, all monastic members of this Pratishthan participated in a Vedic Chanting Programme. Dr. Pranab Kumar Das, Medical Superintendent-cum-Vice Principal, Ramakrishna Mission Seva Pratishthan Vivekananda Institute of Medical Sciences then said a few words about importance of the day addressing the small gatherings of students of various categories, doctors, nurses, other health care providers of the Pratishthan and patient parties. Lastly, a closing song presented by the Nursing Students of the School of Nursing and Ma Sarada College of Nursing of this Pratishthan.

Development Scheme

THE SCHOOL OF NURSING

The need for training a sufficient number of nurses can hardly be overemphasised. One of the chief objects of the Seva Pratishtan has been to provide facilities for training in nursing and midwifery in a suitable atmosphere.

This institution had been training midwives since its inception in 1932 and it was recognised as a training centre for Junior and Senior Midwives in 1944. When the institution was expanded into a General Hospital in 1956, the school was recognised for the training of Auxiliary Nurse-Midwives, later known as Multipurpose Health Workers, and in the following year for General Nurse-Midwives as well. The school has the capacity for training about **150** students. The State Government has been helping the School regularly and is bearing a portion of the cost of training of about **100** General Nurse-Midwives.

General Nursing-Midwifery Course : Candidates seeking admission to this course must have passed the Higher Secondary Examination or its equivalent and must not be under 18 years or above 27 years of age. The session normally starts in September and the course lasts for three years. Pupils are selected for the course after a written test, an interview and a medical check up. The roll strength of students as on 31st March 2022 was **111**. After a course of instruction for three months, an examination is held and successful candidates take part in an impressive ceremony called Capping Ceremony at which they are given the Nursing Cap, a symbol of Nursing Service. At this ceremony they take vows, composed in lucid Sanskrit, of life-long dedicated service to the sick and suffering.

The school has a well-equipped demonstration room, a library with **7733** books and **6** Nos. of periodicals, an auditorium and a shrine and prayer hall. Pupils receive training in an atmosphere conducive to their all round development - physical, intellectual, moral and spiritual.

A regular programme of in-service training for qualified nurses is conducted by the institution to improve and maintain a high standard to prepare them for higher courses. The nursing tutors and other

members of the nursing staff are also encouraged to acquire higher professional qualifications.

Among the other cultural and religious functions held during the year under review were, Saraswati Puja, Christmas Eve, Independence Day, Republic Day and World Nurses' Day. These were celebrated with great aplomb, with impressive parades and folk dances, tableaux and patriotic songs as befitting the different occasions.

A fund called Scholarship Fund has been created out of donations received from various sources for awarding scholarships and prizes to student nurses of the institution from the interest earned. The scholarships and prizes awarded to student nurses are named after **'Gopaler Ma', 'Golap Ma', 'Sister Nivedita', 'Sister Christine', 'Gargi', 'Maitreyi', 'Swami Madhavananda', Swami Dayananda, Swami Gahanananda, 'Kadambini Sarkar', 'Sibadasi Devi', 'Rajubala Ghosh', 'Sister Kalyani',** as also **'K. C. Mahindra Scholarship', 'Surabhi Foundation'**.

MA SARADA COLLEGE OF NURSING

The Ma Sarada College of Nursing for conducting B.Sc. Nursing course of the West Bengal University of Health Sciences was started in the year 2005. The session starts in the month of August every year. The College is affiliated to the West Bengal University of Health Sciences and recognised by Indian Nursing Council and West Bengal Nursing Council. The roll strength as on 31st March, 2022 was **149**.

From August 2009 the College started to conduct 2-year Post Basic B.Sc. Nursing course also. The roll strength as on 31st March, 2022 was **32**.

Candidates for admission are centrally selected through the Joint Entrance Examination (JENPAS-UG) and placed in different Colleges including this institution.

VIVEKANANDA INSTITUTE OF MEDICAL SCIENCES

The Ramakrishna Mission Seva Pratishthan Vivekananda Institute of Medical Sciences was recognised by the University of Calcutta for post-graduate training and research in medicine in 1963, the year of Swami Vivekananda's Birth Centenary. In 1977 the Indian Council of Medical Research first recognised it for research work on a project.

The Medical Council of India (presently, National Medical Commission) which recognised the Seva Pratishthan in 1966 for compulsory rotatory training of fresh medical graduates, first approved it in 1979 for post-graduate degree courses also. The Institute has been recognised by the University Grants Commission since 1987.

The Institute has now been conducting diploma courses in Child Health (DCH), Gynaecology and Obstetrics (DGO), Ophthalmology (DO), Oto-Rhino-Laryngology (DLO), Orthopaedics (D.Ortho) and Anaesthesiology (DA) of West Bengal University of Health Sciences. DNB course of the National Board of Examinations is also being conducted in as many as 11 disciplines.

The academic affairs of the Vivekananda Institute of Medical Sciences are guided by a Governing Body. During the year 2021-22 a good number of doctors were doing their dissertation for post graduate degree of MD in Obs. & Gynaecology, MS in General Surgery, MD in Paediatrics, MD in General Medicine, MD in Radiodiagnosis and Anaesthesiology etc. The total number of Degree, Diploma & DNB students on the rolls as on 31st March, 2022 were **55, 8 & 19** respectively.

Diploma in Medical Laboratory Technique (DMLT) and Diploma in Radio Diagnosis Technique (DRD-Tech) courses of the State Medical Faculty of West Bengal are also being conducted here. The roll strength as on 31st March 2022 was **22** in DMLT and **14** in DRD-Tech.

The Bachelor of Critical Care Technology (BCCT) and Bachelor

of Operation Theatre Technology (BOTT) courses started functioning from September 2009. The rolls strength on 31st March 2022 were **71 & 64** respectively.

A Scholarship Fund named “**Swami Gahanananda Scholarship**” has been created from April 2012 out of donations received from various sources for awarding scholarships to students of the DRD-Tech, BCCT, BOTT courses of the institution.

The Bachelor of Physiotherapy (BPT) course was started from 2006. The roll strength as on 31st March 2022 was **39**.

Diploma in Neuro Electro Physiology (DNEP) course started functioning from September 2017. The roll strength as on 31st March 2022 was **5**.

The Institute has a **Medical Library** with **10111** books and subscribes to a large number of medical journals. Qualified and experienced doctors are carrying on research work at the Pratishtan in different subjects. The results of their investigations are published in medical journals in India and abroad. Since 1978, the Institute publishes its own journal. The number of bound volumes of medical journals in the library is **3749** and No. of Thesis **701**.

COMMUNITY HEALTH SERVICE

In view of the Community Health Nursing being included in the Nurses’ Training Course in 1963, two areas, one urban and the other rural, were selected for training of nursing students. The urban area was very near the hospital while a group of villages near Sarisha, South 24 Parganas, formed the rural area.

Groups of student nurses under the guidance of qualified staff visited all the houses in two selected areas, collected necessary data and advised people on their health and hygiene problems. The people of these areas got free immunisation, hospital facilities and domiciliary treatment while the mothers were given antenatal and postnatal care.

The mobile medical unit attached to Community Health Service visits Sarisha (40 km.) covering **23** villages with a population of about **20,000**, Arapanch (20 km.) covering **10** villages with a population of about **15,000** and Rajarhat (30 km.) with a population of about **10,000**, twice a week and provides free treatment to about **200** patients daily. The critically ill patients are brought to the main hospital for treatment as and when necessary. Free eye camp is held for patients from areas served by the mobile unit every year. A mothercraft class is also held at Sarisha once a week. Regular antenatal check-up is carried on in which high-risk mothers are identified and referred to the Pratishtan. Immunisation programme is implemented against Measles, Diphtheria, Whooping Cough and Tetanus for children in these rural areas.

Independent Auditor's Report

To the Management of Ramakrishna Mission Seva Pratishthan

Opinion

We have audited the financial statements of Ramakrishna Mission Seva Pratishthan which comprise the Balance Sheet as at 31st March, 2022 and the Income & Expenditure Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying financial statements give a true and fair view of the financial position of the entity as at 31st March, 2020, and of its financial performance for the year then ended in accordance with the accounting principles generally accepted in India.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in India, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation

of the financial statements in accordance with the aforesaid generally accepted accounting principles in India, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with generally accepted accounting principles in India will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located at ICAI website at : <https://www.icai.org>. This description forms part of our auditor's report.

Report on Other Legal and Regulatory Requirements

We report that :

a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.

b) the financial statements dealt with by this Report include the transactions related to foreign contribution received and utilised under the Foreign Contribution (Regulation) Act, 2010.

c) in our opinion, proper books of account as required by law have been kept by the Ramakrishna Mission Seva Pratishthan so far as appears from our examination of those books.

d) the Balance Sheet, The Statement of Income & Expenditure, dealt with by this Report are in agreement with the books of account.

Independent Auditor's Report

To the Management of Ramakrishna Mission Seva Pratishthan,
School of Nursin.

Opinion

We have audited the financial statements of Ramakrishna Mission Seva Pratishthan School of Nursing which comprise the Balance Sheet as at 31st March, 2022 and the Income & Expenditure Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying financial statements give a true and fair view of the financial position of the entity as at 31st March, 2022, and of its financial performance for the year then ended in accordance with the accounting principles generally accepted in India.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in India, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the aforesaid generally accepted accounting principles in India, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with generally accepted accounting principles in India will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located at ICAI website at : <https://www.icai.org>. This description forms part of our auditor's report.

Report on Other Legal and Regulatory Requirements

We report that :

a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.

b) the financial statements dealt with by this Report include the transactions related to foreign contribution received and utilised under the Foreign Contribution (Regulation) Act, 2010.

c) in our opinion, proper books of account as required by law have been kept by the Ramakrishna Mission Seva Pratishthan School of Nursing so far as appears from our examination of those books.

d) the Balance Sheet, the Statement of Income & Expenditure, dealt with by this Report are in agreement with the books of account.

Independent Auditor's Report

To the Management of Ramakrishna Mission Seva Pratishthan, Ma Sarada College of Nursing.

Opinion

We have audited the financial statements of Ramakrishna Mission Seva Pratishthan, Ma Sarada College of Nursing which comprise the Balance Sheet as at 31st March, 2022 and the Income & Expenditure Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying financial statements give a true and fair view of the financial position of the entity as at 31st March, 2022, and of its financial performance for the year then ended in accordance with the accounting principles generally accepted in India.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in India, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the aforesaid generally accepted accounting principles in India, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with generally accepted accounting principles in India will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located at ICAI website at : <https://www.icai.org>. This description forms part of our auditor's report.

Report on Other Legal and Regulatory Requirements

We report that :

a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.

b) the financial statements dealt with by this Report include the transactions related to foreign contribution received and utilised under the Foreign Contribution (Regulation) Act, 2010.

c) in our opinion, proper books of account as required by law have been kept by the Ramakrishna Mission Seva Pratishthan, Ma Sarada College of Nursing so far as appears from our examination of those books.

d) the Balance Sheet, the Statement of Income & Expenditure, dealt with by this Report are in agreement with the books of account.

THE EMBLEM

“The wavy waters in the picture are symbolic of Karma; the lotus, of Bhakti; and the rising-sun, of Jnana. The encircling serpent is indicative of Yoga and the awakened Kundalini Shakti, while the swan in the picture stands for the Paramatman (Supreme Self). Therefore the idea of the picture is that by the union of Karma, Jnana, Bhakti and Yoga, the vision of the Paramatman is obtained.”

— *Swami Vivekananda*
