RAMAKRISHNA MISSION SEVA PRATISHTHAN

Secretary's Report

We are presenting report of the activities of the Ramakrishna Mission Seva Pratishthan for the year 2019-2020.

Before we proceed with the operation details for the year, it would not be out of place to give here a brief history of the origin and growth of the Pratishthan.

Brief History & Growth

This institution, a branch centre of the Ramakrishna Mission, was founded by Revered Swami Dayanandaji Maharaj, a disciple of the Holy Mother Sri Sarada Devi in its former name of "Ramakrishna Mission Sishumangal Pratishthan" in a rented house in July 1932 with an initial financial help from an American devotee Miss Helen Rubel (Sister Bhakti). Domiciliary Maternity Service and Outdoor Antenatal and Postnatal clinic were started first, and a year later, the Indoor section with 7 beds for mothers and 9 beds for babies was added. Later, on a small plot of land purchased at 99, Lansdowne Road (now Sarat Bose Road) foundation stone of a permanent hospital building was laid on March 4, 1938 by the Most Revered Srimat Swami Vijnananandaji Maharaj, a direct disciple of Bhagavan Sri Ramakrishna and the fourth President of the Ramakrishna Math and Ramakrishna Mission, which was completed as a 50-bed maternity hospital and consecrated on May 31, 1939 by Revered Srimat Swami Virajanandaji Maharaj, the sixth President of the Ramakrishna Math and Ramakrishna Mission. 'Sishumangal' thus found a new home of its own and gained wide recognition as a model maternity and child welfare centre.

In 1957, its Silver Jubilee Year, Sishumangal was renamed "Seva Pratishthan" following the addition of some general beds for men, women and children in 1956. Additional construction followed in phases and bed - strength also rose from time to time and reached 550 in 1985.

The construction of the building of Vivekananda Institute of

Medical Sciences was started in 1977 with a kind and generous donation from Shri Nandlal Tantia and done upto 2nd floor by 1982. The research centre housed in it was named “Rameshwar Tantia Research Centre”. More funds were collected gradually and upto 4th floor construction was completed in 1995-96.

Another newly constructed building had been completed in July 2007 and inaugurated by Most Revered Srimat Swami Gahananandaji Maharaj, the then President of Ramakrishna Math and Ramakrishna Mission on the occasion of the Platinum Jubilee of this Pratishthan.

On the occasion of the celebration of the 150th Birth Anniversary of Swami Vivekananda, a new project was taken in hand. It consisted of 1) Construction of A Diagnostic Centre Building; & 2) A fully-equipped Cath. Lab., Cardiac Care Unit, High Dependency Unit & Cardiothoracic Vascular Surgery Unit. The entire project was named as “**Swami Vivekananda Diagnostic & Cardiac Care Centre**” and was being done with the financial assistance from the Ministry of Culture, Government of India.

With addition of the abovementioned units, the following operations/ investigations are being done in this Pratishthan successfully at a low cost compared to other non-Govt. institutions in the State of West Bengal :-

Coronary Angiography, Coronary Angioplasty, Single & Double Chamber Pacemaker implantation, ASD Closure, Mitral Valve Replacement, Aortic Valve Replacement & Double Valve Replacement.

A new **Cardiology Ward** in the 5th Floor of Adhish Chandra Sinha Building has been inaugurated on 03-03-2019 by Srimat Swami Vimalatmanandaji Maharaj, Trustee, Ramakrishna Math, Member, Governing Body of Ramakrishna Mission and Adhyaksha, Ramakrishna Math, Yogodyan. The 38-bed ward has general beds and Cabin facilities for male, female and paediatric cardiology patients with an attached High Dependency Unit (HDU). **The bed strength rose to 684 in June 2020.**

THE SCHOOL OF NURSING

The need for training a sufficient number of nurses can hardly be overemphasised. One of the chief objects of the Seva Pratishtan has been to provide facilities for training in nursing and midwifery in a suitable atmosphere.

This institution had been training midwives since its inception in 1932 and it was recognised as a training centre for Junior and Senior Midwives in 1944. When the institution was expanded into a General Hospital in 1956, the school was recognised for the training of Auxiliary Nurse-Midwives, later known as Multipurpose Health Workers, and in the following year for General Nurse-Midwives as well. The school has the capacity for training about **150** students. The State Government has been helping the School regularly and is bearing a substantial portion of the cost of training of about **100** General Nurse-Midwives.

General Nursing-Midwifery Course : Candidates seeking admission to this course must have passed the Higher Secondary Examination or its equivalent and must not be under 18 years or above 27 years of age. The session normally starts in September and the course lasts for three years. Pupils are selected for the course after a written test, an interview and a medical check up. The roll strength of students as on 31st March 2020 was **111**. After a course of instruction for three months, an examination is held and successful candidates take part in an impressive ceremony called Capping Ceremony at which they are given the Nursing Cap, a symbol of Nursing Service. At this ceremony they take vows, composed in lucid Sanskrit, of life-long dedicated service to the sick and suffering. During the year under report, the **Capping Ceremony** was held on 12-03-2020.

The school has a well-equipped demonstration room, a library with **7660** books and **6** Nos. of periodicals, an auditorium and a shrine and prayer hall. Pupils receive training in an atmosphere conducive to their all round development - physical, intellectual, moral and spiritual.

A regular programme of in-service training for qualified nurses is conducted by the institution to improve and maintain a high standard to prepare them for higher courses. The nursing tutors and other members of the nursing staff are also encouraged to acquire higher professional qualifications.

The Annual Swami Vivekananda Birth Centenary Memorial Competition in music, painting, recitation and elocution for student nurses of West Bengal for the year was held in June 2019. Student Nurses from different Schools and Colleges of Nursing in and around Kolkata participated in the said competitions. The Prize Distribution Ceremony for the year was held on **27-06-2019** i.e. on the last day of the competition.

Among the other cultural and religious functions held during the year under review were, Saraswati Puja, Christmas Eve, Independence Day and Republic Day. These were celebrated with great aplomb, with impressive parades and folk dances, tableaux and patriotic songs as befitting the different occasions.

A fund called Scholarship Fund has been created out of donations received from various sources for awarding scholarships and prizes to student nurses of the institution from the interest earned. The scholarships and prizes awarded to student nurses are named after **'Gopaler Ma', 'Golap Ma', 'Sister Nivedita', 'Sister Christine', 'Gargi', 'Maitreyi', 'Swami Madhavananda', Swami Dayananda, Swami Gahanananda, 'Kadambini Sarkar', 'Sibadasi Devi', 'Rajubala Ghosh', 'Sister Kalyani'**, as also **'K. C. Mahindra Scholarship', 'Surabhi Foundation'**.

COMMUNITY HEALTH SERVICE

In view of the Community Health Nursing being included in the Nurses' Training Course in 1963, two areas, one urban and the other rural, were selected for training of nursing students. The urban area was very near the hospital while a group of villages near Sarisha, South 24 Parganas, formed the rural area.

Groups of student nurses under the guidance of qualified staff visited all the houses in two selected areas, collected necessary data and advised people on their health and hygiene problems. The people of these areas got free immunisation, hospital facilities and domiciliary treatment while the mothers were given antenatal and postnatal care.

The mobile medical unit attached to Community Health Service visits Sarisha (40 km.) covering **23** villages with a population of about **20,000**, Arapanch (20 km.) covering **10** villages with a population of about **15,000** and Rajarhat (30 km.) with a population of about **10,000**, twice a week and provides free treatment to about **200** patients daily. The critically ill patients are brought to the main hospital for treatment as and when necessary. Free eye camp is held for patients from areas served by the mobile unit every year. A mothercraft class is also held at Sarisha once a week. Regular antenatal check-up is carried on in which high-risk mothers are identified and referred to the Pratishthan. Immunisation programme is implemented against Measles, Diphtheria, Whooping Cough and Tetanus for children in these rural areas.

In the year 2019-20, the mobile unit served **23916** patients completely free of charges. The statistical reports of the Sarisha Rural Health Unit for the year 2019-20 were as follows :-

Number of Home Visit Sessions	113
Number of families visited	1007
Number of family members attended	4129
Number of demonstration class for mothers	56
Number of health teaching class for mothers	621

Independent Auditor's Report

To the Management of Ramakrishna Mission Seva Pratishthan

Opinion

We have audited the financial statements of Ramakrishna Mission Seva Pratishthan which comprise the Balance Sheet as at 31st March, 2020 and the Income & Expenditure Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying financial statements give a true and fair view of the financial position of the entity as at 31st March, 2020, and of its financial performance for the year then ended in accordance with the accounting principles generally accepted in India.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in India, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation

of the financial statements in accordance with the aforesaid generally accepted accounting principles in India, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with generally accepted accounting principles in India will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located at ICAI website at : <https://www.icai.org>. This description forms part of our auditor's report.

Report on Other Legal and Regulatory Requirements

We report that :

a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.

b) the financial statements dealt with by this Report include the transactions related to foreign contribution received and utilised under the Foreign Contribution (Regulation) Act, 2010.

c) in our opinion, proper books of account as required by law have been kept by the Ramakrishna Mission Seva Pratishthan, General Hospital so far as appears from our examination of those books.

Independent Auditor's Report

To the Management of Ramakrishna Mission Seva Pratishthan,
School of Nursin.

Opinion

We have audited the financial statements of Ramakrishna Mission Seva Pratishthan School of Nursing which comprise the Balance Sheet as at 31st March, 2020 and the Income & Expenditure Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying financial statements give a true and fair view of the financial position of the entity as at 31st March, 2020, and of its financial performance for the year then ended in accordance with the accounting principles generally accepted in India.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in India, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the aforesaid generally accepted accounting principles in India, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with generally accepted accounting principles in India will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located at ICAI website at : <https://www.icaai.org>. This description forms part of our auditor's report.

Report on Other Legal and Regulatory Requirements

We report that :

a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.

b) the financial statements dealt with by this Report include the transactions related to foreign contribution received and utilised under the Foreign Contribution (Regulation) Act, 2010.

c) in our opinion, proper books of account as required by law have been kept by the Ramakrishna Mission Seva Pratishthan School of Nursing so far as appears from our examination of those books.

d) the Balance Sheet, the Statement of Income & Expenditure, dealt with by this Report are in agreement with the books of account.

THE EMBLEM

“The wavy waters in the picture are symbolic of Karma; the lotus, of Bhakti; and the rising-sun, of Jnana. The encircling serpent is indicative of Yoga and the awakened Kundalini Shakti, while the swan in the picture stands for the Paramatman (Supreme Self). Therefore the idea of the picture is that by the union of Karma, Jnana, Bhakti and Yoga, the vision of the Paramatman is obtained.”

— *Swami Vivekananda*
